News from the editorial base

We welcome a new editor to our panel and say a fond farewell to another

We welcome **Cecelia E. Schmalbach**, Associate Professor of Surgery at the University of Alabama, Birmingham. Cecelia specialises in head and neck oncology and microvascular surgery, and is the previous winner of the [AAOHNS Cochrane Scholars Programme](#). She will help us support our growing number of head and neck cancer reviews.

We say goodbye to **Terry Jones**, Professor of Head and Neck Surgery at the University of Liverpool, UK. We thank him for his valuable contribution and wish him luck as the new the editor-in-chief of [Clinical Otolaryngology](#).

For details of our current editorial panel see <http://ent.cochrane.org/who-we-are>.

The Cochrane ENT Group at the Cochrane Colloquium in Quebec

In September we welcomed three of our editorial panel to Quebec (Rich Rosenfeld, Adrian James and Maroeska Rovers) for the 21st annual Cochrane Colloquium. We also welcomed Stephanie Jones from the American Academy of Otolaryngology - Head and Neck Surgery (AAOHNS) and the winners of the 2013 AAOHNS Cochrane Scholars Programme.
